Testing & Debugging - hrs	\$40/hr	0.5 hrs	\$20.00
---------------------------	---------	---------	---------

### I.3. KwikComfort Financing Calculator Page

Hours: 3.50

Cost: \$140.00

#### Description:

- footer graphic sticks to bottom of page
- finance calculator area has 3 text fields (validated to be numbers)
- plus and minus buttons increase / decrease the numbers inputted in the text fields

#### Notes:

need to confirm whether the \$ and % in the text fields are correctly placed

#### Tasks:

Coding - HTML / CSS	\$40/hr	3 hrs	\$120.00
Testing & Debugging - hrs	\$40/hr	0.5 hrs	\$20.00

### I.4. Maintenance Page

Hours: 2.00

Cost: \$80.00

#### Description:

- 2 colored boxes with text and graphics
- footer graphic sticks to bottom of page

#### Tasks:

Coding - HTML / CSS	\$40/hr	1.5 hrs	\$60.00
Testing & Debugging - hrs	\$40/hr	0.5 hrs	\$20.00

### I.5. Savings Calculator Page

Hours: 5.00

Cost: \$200.00

#### Description:

- tabbed content (4 tabs)
- static map
- tabs will have some basic form elements

#### Notes:

tabbed content needs to be provided

#### Tasks:

Coding - HTML / CSS	\$40/hr	4.5 hrs	\$180.00
Testing & Debugging - hrs	\$40/hr	0.5 hrs	\$20.00

## II. Mobile Layouts

Hours: 14.50

Cost: \$600.00

#### Description:

Layered Design files to HTML/CSS/JS for the mobile layouts

**Tasks:**

Project Management	\$60/hr	1 hrs	\$60.00
--------------------	---------	-------	---------

**II.1. Heating and Cooling 101 Home Screen**

Hours: 1.50

Cost: \$60.00

**Description:**

- 6 colored boxes with text
- stack on top of each other
- footer graphic from desktop is not displayed anymore (to be confirmed)

**Notes:**

confirm whether we still show the footer graphic on mobile

**Tasks:**

Coding - HTML / CSS	\$40/hr	1 hrs	\$40.00
---------------------	---------	-------	---------

Testing & Debugging - hrs	\$40/hr	0.5 hrs	\$20.00
---------------------------	---------	---------	---------

**II.2. Interior Page Content Slider and Nav**

Hours: 3.50

Cost: \$140.00

**Description:**

- static background (text embedded into the background)
- cycling slider with text - ability to click on the circle pagination to move from one slide to another
- automated sliding (5 seconds)
- 6 tabs at the bottom that change the background and LHS content (to be provided)

tabbed content needs to be provided we need to determine the background sizes that will need to be provided for the mobile layout

**Tasks:**

Coding - HTML / CSS	\$40/hr	3 hrs	\$120.00
---------------------	---------	-------	----------

Testing & Debugging - hrs	\$40/hr	0.5 hrs	\$20.00
---------------------------	---------	---------	---------

**II.3. KwikComfort Financing Calculator Page**

Hours: 2.50

Cost: \$100.00

**Description:**

**Notes:**

- footer graphic is hidden (to be confirmed)
- finance calculator area has 3 text fields (validated to be numbers)
- plus and minus buttons increase / decrease the numbers inputted in the text fields

need to confirm whether the \$ and % in the text fields are correctly placed

**Tasks:**

Coding - HTML / CSS	\$40/hr	2 hrs	\$80.00
Testing & Debugging - hrs	\$40/hr	0.5 hrs	\$20.00

**II.4. Maintenance Page**

Hours: 1.00

Cost: \$40.00

**Description:**

- 2 colored boxes with text and graphics
- footer graphic sticks to bottom of page

**Tasks:**

Coding - HTML / CSS	\$40/hr	0.5 hrs	\$20.00
Testing & Debugging - hrs	\$40/hr	0.5 hrs	\$20.00

**II.5. Savings Calculator Page**

Hours: 5.00

Cost: \$200.00

**Description:**

- tabbed content (4 tabs)
- static map
- tabs will have some basic form elements

**Notes:**

tabbed content needs to be provided

**Tasks:**

Coding - HTML / CSS	\$40/hr	4.5 hrs	\$180.00
Testing & Debugging - hrs	\$40/hr	0.5 hrs	\$20.00
